10. Motion from Cllr. Stuchbury

That Buckingham Town Council begin talks with Milton Keynes Council over the continuing growth of both Milton Keynes and Buckingham as with this development we are edging closer together.

I believe we should seek to start talks to ensure the growth of Milton Keynes will not adversely affect or overwhelm Buckingham's services. The joint working should be a high priority due to the speed of the proposed growth (Milton Keynes increasing to over 300,000, 5,000 plus homes at Salden Chase and over 1,500 new homes in Buckingham) By working closely together in these early stages I hope that it will preserve and strengthen the town and its services going forward. We should not believe that AVDC will put Buckingham's needs first and need to take the initiative.

I ask member support in this matter

11. Motion from Cllr. Stuchbury

I ask that Buckingham Town Council write to the BCC Cabinet Member for Achievements Cllr. Marion Clapton, and enquire as to if changes to the school selection process are coming into force in 2011 and also ask the direct question over if BCC will bring a lottery based allocation for grammar schools.

I ask this due to the increased pressure which will be exerted on Buckingham's school system over the coming years which includes the town's growth as well as the as expected grammar school increase from Salden Chase.

It is my understanding that if a lottery based allocation is chosen it does not put a priority on living in the catchment area for the allocation of places,
